**REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS**

To the Management Committee and Members  
TIFA LLC  
Titusville, Florida

We have audited the accompanying financial statements of TIFA LLC, which comprise the balance sheets as of December 31, 2021 and 2020, and the related statements of operations and changes in members' capital, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of TIFA, LLC as of December 31, 2021 and 2020, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of TIFA, LLC and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events considered in the aggregate, that raise substantial doubt about TIFA, LLC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

To the Management Committee and Members  
TIFA LLC

**Auditor’s Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstance, but not for the purpose of expressing an opinion on the effectiveness of TIFA LLC’s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about TIFA LLC’s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## **TIFA LLC**

### **NOTES TO FINANCIAL STATEMENTS**

#### **AS OF AND FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020**

---

##### **1. ORGANIZATION AND DESCRIPTION OF THE ENTITY**

TIFA LLC (“TIFA”) was organized as a Florida Limited Liability Company on April 21, 2010, pursuant to the terms of a Settlement Framework Agreement and a Limited Liability Company Operating Agreement (“Operating Agreement”) between the City of Titusville, Florida (“City”), and Farmton Water Resources, LLC (“Farmton”) (collectively, the “Members”).

TIFA’s purpose is to facilitate the permitting, design, construction, and operation of a groundwater wellfield on certain property located in Brevard County and monitoring wells in Volusia County, Florida, and to do so in a manner designed to reasonably avoid adverse impact on the water resource and ecosystem. On May 10, 2011, the St. Johns River Water Management District granted TIFA’s application for expansion of the Consumptive Use Permit (“CUP”) to 2.75 million gallons per day (“MGD”). Phase 1 of the wellfield produces 0.75 MGD. Phase 2 of the wellfield produces 2.0 MGD. As of December 31, 2015, the entire wellfield has been placed in service.

The groundwater wellfield is intended to provide certain agreed-upon minimum amounts of bulk water exclusively to the City and, to the extent available, to Farmton and others. The pricing and rate structure for the sale of water is defined in the Operating Agreement.

The Operating Agreement provides that the City has the exclusive right to purchase bulk water from TIFA at prices based on the cost of TIFA’s operation, plus a return on Members’ capital. The rates are set annually, as indicated in the Operating Agreement, and are subject to adjustment quarterly, as of and when additional maintenance capital contributions are made and/or wellfield assets are placed in service. In consideration for these rights, the City has agreed to purchase a minimum of 0.75 MGD of water, if available, annually from TIFA for a period of ten years, with certain automatic, additional ten-year options to renew. The Operating Agreement further provides that the City will pay for the minimum amount of water to be purchased, regardless of whether the minimum amount is actually used.

Subject to the availability of 2.75 MGD of water, the Operating Agreement also includes the right for Farmton to purchase a maximum of up to 0.6 MGD of water from the City’s 2.75 MGD under certain circumstances, as designated in the Operating Agreement. In the event that Farmton exercises its right under the Operating Agreement to purchase 0.6 MGD of water from TIFA, Farmton will be required to purchase water at rates consistent with the cost of the City securing replacement water.

##### **2. SIGNIFICANT ACCOUNTING POLICIES**

###### ***Cash and Cash Equivalents***

TIFA considers all unrestricted, highly liquid investments with a maturity of three months or less from the date of purchase to be cash equivalents.

###### ***Accounts Receivable***

Accounts receivable represent amounts due from the City for the purchase of bulk water. TIFA values its receivables based on the volume of bulk water provided to the City each month at an approved rate.

## ***“DRAFT FOR DISCUSSION PURPOSES ONLY”***

### ***Capitalization***

The Operating Agreement provides, among other things, for the methodologies that the Members will use to make contributions for TIFA’s initial and ongoing capitalization of its activities, as follows:

#### ***Initial Capitalization***

Pursuant to the Operating Agreement, the Members contributed to TIFA an initial cash contribution of \$25,000 each and certain assets, including a CUP, easements, wells, mitigation credits, and other wellfield development costs. Contributed assets are recorded at their fair values, as determined by cost, appraisal, or other appropriate valuation methodologies.

#### ***Construction Capital Contributions***

The City and Farmton were each further required to pay or contribute fifty percent of the cost to construct the wellfield. For Phase 1 construction, the obligation to make construction capital contributions were satisfied, in the case of the City, by direct payment of construction costs, and in the case of Farmton, by payment to the City of Farmton’s share of construction costs paid directly by the City. For Phase 2 construction, TIFA directly incurred the construction costs. The City and Farmton paid their percentage upon completion of a capital call by the managers. Farmton made certain construction capital contributions by a grant or assignment of easements over certain property under its control.

#### ***Maintenance Capital Contributions***

Subsequent to construction of the wellfield, each Member is required to contribute fifty percent of the cost of renewal and replacement of wellfield facilities, as required to maintain the wellfield in working condition.

#### ***Wellfield-related and Intangible Assets***

Acquisitions of new wellfield-related and intangible assets with a cost basis, if acquired, or fair value, if contributed, greater than \$10,000, and an estimated useful life greater than one year are capitalized. The cost of maintenance, repairs, and recurring replacements is charged to operations as incurred. Depreciation and amortization of wellfield-related and intangible assets is provided using the straight-line method over estimated useful lives of 30 years and 20 years, respectively.

#### ***Revenue Recognition***

Water rates charged per thousand gallons are determined in accordance with the Operating Agreement and annual budgeting process. Revenue from bulk water sales is recognized based on meter readings as water is delivered to the customers at the amount expected to be received from the customer.

#### ***Income Taxes***

TIFA has elected to be treated as a pass-through entity for income tax reporting purposes. As a result, all items of taxable income or loss are allocated to the individual Members to be reported on their individual income tax returns, as applicable. Accordingly, these financial statements include no provision or liability for federal or state income taxes.

#### ***Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures. Actual results could differ from those estimates.

#### ***Subsequent Events***

Events and transactions have been evaluated for potential recognition or disclosure through the date the financial statements were available to be issued.

**6. COMMITMENTS AND CONTINGENCIES**

***Wellfield Operations and Maintenance Agreement***

On May 24, 2010, TIFA entered into a Wellfield Operations and Maintenance Agreement with the City under which the City shall operate and maintain the wellfield pursuant to the fees and obligations specified in the agreement. Fees incurred pursuant to this agreement totaled \$27,700 and \$26,600, respectively, for the years ended December 31, 2021 and 2020, and are included in the Operations and Maintenance line item on the Statement of Operations and Changes in Members’ Capital.

#### **MINUTES AND CONTRACTS**

We have made available to you all minutes of the meetings of members of TIFA, or summaries of actions of recent meetings for which minutes have not yet been prepared.

We have complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.

We acknowledge our responsibility for the design and implementation of programs and controls to prevent and detect fraud.

We have no knowledge of any fraud or suspected fraud affecting TIFA involving management or employees who have significant roles in the system of internal accounting control.

We have no knowledge of any fraud or suspected fraud affecting TIFA involving others that could have a material effect on the financial statements.

There are no instances where any officer or employee of TIFA has an interest in a company with which TIFA does business which would be considered a “conflict of interest.” Such an interest would be contrary to TIFA’s policy.

#### **ACCOUNTING ESTIMATES**

We have identified all accounting estimates that could be material to the financial statements, including the key factors and significant assumptions underlying those estimates, and we believe the estimates and the underlying assumptions are reasonable.

#### **CONCENTRATIONS**

There are no concentrations existing at the date of the financial statements that make TIFA vulnerable to the risk of a near-term, severe impact that have not been disclosed in the financial statements. We understand that concentrations include individual or group concentrations of customers, suppliers, lenders, products, services, or markets.

**SUBSEQUENT EVENTS**

No events or transactions have occurred since December 31, 2021 which would have a material effect on the financial statements at that date or for the year then ended, or which are of such significance in relation to TIFA's affairs as to require mention in a note to the financial statements in order to make them not misleading as to the financial position, results of operations or cash flows of TIFA.

Very truly yours,

To the Managing Members:

We have audited the financial statements of **TIFA LLC** (“TIFA”) for the years ended December 31, 2021 and 2020, and have issued our report thereon dated February 24, 2022. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated December 2, 2021. Professional standards also require that we communicate to you the following information related to our audit.

#### SIGNIFICANT AUDIT FINDINGS

##### *QUALITATIVE ASPECTS OF ACCOUNTING PRACTICES*

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by TIFA are described in Note 2 to the financial statements. The application of existing accounting policies was not changed during the years ended December 31, 2021 and 2020. We noted no transactions entered into by TIFA during the period audited for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper periods.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management’s knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. TIFA’s most significant estimates relate to its determination of the amounts of depreciation and amortization of capitalized assets. Currently, this estimate is based upon the estimated useful lives of the assets.

#### CORRECTED AND UNCORRECTED MISSTATEMENTS

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. There were no corrected or uncorrected misstatements noted during the audit.

#### INTERNAL ACCOUNTING CONTROL

In planning and performing our audit in accordance with auditing standards generally accepted in the United States of America, we considered TIFA's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of TIFA's internal control. Accordingly, we do not express an opinion on the effectiveness of TIFA's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency or combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and, therefore, there can be no assurance that all such deficiencies have been identified. We did not identify any deficiencies in internal control that we consider to be material weaknesses.

#### INDEPENDENCE

We are not aware of any relationships between our Firm and TIFA, which, in our professional judgment, may reasonably be thought to bear on our independence. Services provided to TIFA by MSL, P.A. during the twelve-month period ended on the date of this letter primarily consists of the annual audit of TIFA and preparation of its tax return.

We hereby confirm that as of the date of this letter, we are independent accountants with respect to TIFA, within the meaning of the independence standards developed by the American Institute of Certified Public Accountants.

#### DIFFICULTIES ENCOUNTERED IN PERFORMING THE AUDIT

We encountered no difficulties in dealing with management in performing and completing our audit.

#### DISAGREEMENTS WITH MANAGEMENT

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

#### MANAGEMENT REPRESENTATIONS

We have requested certain written representations from management that are included in the management representation letter dated February 24, 2022.

#### MANAGEMENT CONSULTATIONS WITH OTHER INDEPENDENT ACCOUNTANTS

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a “second opinion” on certain situations. If a consultation involves application of an accounting principle to TIFA’s financial statements or a determination of the type of auditor’s opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all relevant facts. To our knowledge, there were no such consultations with other accountants.

#### OTHER MATTERS

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as TIFA’s auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

In connection with our audit, we toured the wellfield and reviewed the implementation of the policies and procedures for reading the meters. We believe that those procedures, which require three party sign offs, are effective to ensure appropriate control over the revenue recognition process.

\*\*\*\*\*

We appreciate the opportunity to serve as TIFA’s independent auditors. Should you desire further information concerning these matters, we would be happy to meet with you at your convenience.

This letter is solely for the internal use of TIFA and should not be distributed to any other persons or be used for any other purpose.

Very truly yours,
